

Package ‘optimalImporter’

December 17, 2018

Type Package

Title Converts vectors to optimal storage types

Version 0.0-1.9000

Author Simon Pressler, Müge Özlutiras, Claudia Faltermeier, Benjamin Schlegel

Maintainer Benjamin Schlegel <kontakt@benjaminschlegel.ch>

Description Simon Pressler was too lazy to write a description. The others too.

R topics documented:

opt	1
optdf	2
Index	3

opt	<i>Optimal Type Selector</i>
-----	------------------------------

Description

Optimal Type Selector

Usage

opt(x)

Arguments

x vector to be converted

Value

A vector converted the optimal storage type

Examples

```
data("iris")  
opt(iris$Species)
```

optdf

Optimal type selector for a data.frame

Description

Optimal type selector for a data.frame

Usage

```
optdf(df)
```

Arguments

df data.frame to be converted

Examples

```
data("iris")  
optdf(iris)
```
